I have over 27 years of experience in a wide range of practice areas. I have spent my entire career with a small, general practice firm which handles all type of cases, except for criminal and domestic relations. Many times I have had to familiarize myself with different areas of law in order to handle a particular matter. I do most of the litigation work for the firm. In my cases, I continually look for opportunities to resolve disputes before trial, as such is, in many instances, in the best interest of a client in terms of both cost certainty and peace of mind.
