Divorce or separation from a partner is a time of enormous change and emotion. Mediation is a process that allows parties to find unique solutions, together, that satisfy the needs and interests of the parties and their children. Parties take control of their own decisions and develop communication and problem-solving skills that support better co-parenting. As an attorney/mediator for over 25 years, and a Certified Public Accountant, I know it is also important to help parties understand and discuss the issues and changes ahead; consider and address any complex financial or tax issues to be resolved; and to look for ways to add value with my services.

I help prepare parties for mediation by offering a 1/2 hour free orientation, set by appointment. I offer weekend and evening hours. Services include in office and on-line mediations, co-mediation, parenting coordination, collaborative and cooperative law, and traditional litigation/trial work. I am a co-founder of Confluence Missouri (a nonprofit mediation resource); a trainer for civil and family law mediation and parenting coordination; and possess an advanced, graduate of law (LL.M.) degree in Dispute Resolution.

Missouri CPA (1985); Saint Louis University-JD (1991-cum laude); University of Missouri-L.L.M. (Masters of Law) Dispute Resolution (2013); former Adjunct Professor; ABA Certificate of Merit in Child Advocacy(1999).
